NON-COMPLIANCE WITH UNIFORM POLICY

If a student is out of uniform they will be required to report to student services where they will be offered an alternative clothing item to wear. The student will leave the non-uniform clothing item in Student Services. The student will return at the end of the day, return the borrowed item and collect their personal belongings. Refusal to follow this process may result in the need for immediate parental support and other consequences for the student.

When necessary, parents will be contacted and clothing will be required to be brought to school to allow the student to return to classes. Letters will be sent home to inform parents/caregivers as issues arise. On occasions, a Temporary Uniform Pass will be provided to allow students to wear appropriate non-uniform items for that day only.
